The Proposed Bank will be established as a 50:50 joint venture between FMBCH and Rogers Global Financial Holdings Ltd (RGFHL). The Proposed Bank will combine FMBCH's regional banking expertise, developed through its First Capital Bank operations across five SADC markets, with the partners' deep roots in the Mauritian economy. The Company believes the Proposed Bank will be well positioned to serve the growing trade, investment and financial flows between Mauritius, Africa and the wider region.
